

Darrell York

Yesterday at 10:13 AM · 🌐

My mother, a Godly woman, has a saying..."No one has to LIE, you CHOOSE TO LIE". This is stated clearly in Proverbs 6 : 16-19. These are the verses that God tells us there are 7 things he hates. And 2 of them are LYING! Terry Meckstroth is doing just that.....LYING! The only way he can have a chance of winning the district 3 magistrate race is to discredit me by lying and distorting the truth. This is not right in the eyes of GOD. He will be judged for it! What happened last night at the Jess.Co. Republican Womens meeting was uncalled for, out of line, and I lay it all at his feet as HE is the architect of the LIES. Not surprised but still disappointed.

At the same time as he is quoting scriptures and telling us about "What happened last night as the Jess.Co. Republicans meeting"... there is NO explanation of precisely what did happen. For those of us NOT present, can you tell us what happened? You say **Terry Meckstroth** lied. What did he lie about? What did he say? What truth did he distort? What did he say about you?

It is fundamentally wrong to publicly accuse people of something and not produce ANY evidence for the accusation. Please do so now.

Robert Barney I have known Darral York for over 35 years and he never lies. If he says it's a lie it's a lie or otherwise he would not have said that in public and call the person out.

Carolyn Beaty OK, so you are saying that Terry said that Darrell was involved in an assault charge in 2019. Are you certain Terry said that? Were you there and did you personally hear that? If no, who was?

OK, so Anna Robert Smith has said Terry did not say anything about Darrell's 2019 assault charge. Does anyone else who was actually there want to speak up?

Chief Investigator Bob - I will second Anna's statement. This subject did not come up at all during the formal proceedings of the meeting. Terry did not publicly state any of this, and in fact did not mention his opponent at all during his presentation to the crowd.

Bob, it is sad that you even had to ask what's the accusations against Terry were. I have said that I was the one that asked the questions, not Terry.

And as a voter and resident of Jessamine County, I had every right to ask questions. If Mr. York had an anger problem that got him jailed, then people need to be aware of this. And if Mr. York was unjustly arrested, then people need to be aware of this. We as voters have to make informed decisions. If Mr. York's arrest was not justified, then he can clearly say that and not need to attack people for asking.

I am hoping the Mr. York will stop bashing Terry as he is now telling lies which is what he accused Terry of doing.

Kathy Milans Sorry I missed where you said you were the one that brought up Darrell York's arrest at the meeting.

I will give Mr. York the benefit of the doubt, that he was not there and has repeated someone else's FALSE report of what happened. Mr. York can fix this by doing his own investigation, and if he concludes that Terry was NOT the person who brought up this matter, then he can publicly apologize to Terry for the false accusation.

Thanks again Kathy.

OK, trying VERY hard to get to the bottom of this story.

So I spoke to one of the leaders of the Jessamine County Republican women's club and she advises me that Darrell York was NOT EVEN present at this meeting last night.

Darrell, why were you NOT at the meeting last night? I am told your wife spoke on your behalf.

Your posting accusing of lies is hearsay. WHO told you that **Terry Meckstroth** was telling lies about you last night? Was it your wife? Why is she not posting what she heard and saw?

Amen!!! Very well stated!! "Thou Shalt not lie" one of the 10 commandments from God!! People forget God is watching all and He knows all... shame on them for spreading LIES! People do what they want and forget they are NOT doing what God would have them to do. Terry AND the Womens Republican Party will have to answer for their wrong doings. You continue to do what God wants you to do and do it for His Glory! Hang in there... we love you!! ❤️

I can tell you all what this is about. Darrell was not at the meeting. His wife was there.

I asked her about Darrell's arrest for second- degree assault. I also asked her about the situation on Harrodsburg Road about Darrell getting into an argument with a homeowner when he supposedly put up a sign without permission. He also has a campaign sign up on Harrodsburg Road and Murphy Lane in the state right a way which is illegal. He put up a sign on Clear Creek without the homeowner's permission.

There were no accusations whatsoever by Terry Meckstroth. Terry did not lie at all. Terry is one of the most upright people that I've ever met!

It is NOT a lie that Darrell was jailed for second- degree assault. This is public information and can be found easily. As a voter and a concerned citizen of Jessamine County, I had every right to ask these questions. We want people with integrity sitting on the fiscal court.

Terry Meckstroth is one of the most honest people that I know! It is downright mean and nasty to you say that Terry lied. Terry did not talk about this that night. In his speech he said absolutely nothing about Darryl.

Please take this back. If you are a Christian then you will apologize and make it right. There also needs to be an apology to the Republican Party as the Republican Women as they had nothing to do with this.

Terry Meckstroth does not lie and he will win the election. You discredit yourself by putting up signs on peoples fences and yards without their permission. You do not know the difference between a state road and a county road. You are an embarrassment to District 3.

Carolyn Beaty You say, "I believe Darral York and I always will."

Has Darrell explained this from the 2019 Jessamine Journal:

Darrell York, 58, of 106 Revere Way in Versailles, was arrested Jan. 2 for second-degree assault.

What was that about? I think someone running for public office needs to give an account for an incident like this.

Robert Barney I for one know that it was self-defense. And I know that people get arrested in this town Without being able to explain what happened when someone accuses you of something you did not do. If somebody came at me and tried to hit me I'm not gonna stand there and take that. He was only defending himself and I do know something about that by the way

Robert Barney It's wrong to use something like that against someone just for an election, Especially if they don't know the circumstances. You never assume that someone's guilty just because they went to the lock up in this county.I've known Darral York for 35 years or more

Carolyn Beaty Was the person who "tried to hit" Darrell also arrested? I think we need more specific information and Darrell should provide it. I am certainly never going to vote for a sheriff who had DUI in his squad car, and I am not voting for a magistrate that engages assault.

Robert Barney Jesus says those who are without sin cast the first stone. You're not perfect either. I don't believe in slinging mud during a such a little petty local race in politics but oh I forgot that's what they do when they feel like they may not win. Don't worry about Darral he don't have to explain nothing to you or anybody else it's between him and God. Maybe he don't want to say anything else have you thought about that? I don't believe you're from here and you've not lived here most of your life because I can tell by your attitude.Enough said. Don't beat it to death

Carolyn Beaty So far you have offered NO specifics about anything.

You are quite right, there is NONE righteous, NO NOT ONE. Having said that, I believe it is VERY, VERY important to tell the truth and to NOT LIE. With respect to Darrell York, I am unaware of ANY LIE that I have told. But here's my problem. Accusations have been made that **Terry Meckstroth** lied, and I want to know what "lie" **Terry Meckstroth** was supposed to have said. What was it? BE SPECIFIC?

The Women's club of the Republican Party is also being accused of WRONG DOING. What was it that they did?

The scriptures are also VERY clear, you are NOT to bear FALSE witness against others.

Exodus 23:1 NIV - UK

23 'Do not spread false reports. Do not help a guilty person by being a malicious witness.

Deuteronomy 19:18 NIV - UK

18 The judges must make a thorough investigation, and if the witness proves to be a liar, giving false testimony against a fellow Israelite,

NOTE: As a voter, like other voters, we are to be the judge of political candidates. Now that **Terry Meckstroth** has been accused of lying, I am trying to INVESTIGATE whether **Terry Meckstroth** actually told a lie. So far, NO ONE has even specified what lie was.

I saw Darral York he had bandages all over his face and head after the incident.Go figure people in this county sometimes get away with murder. So you need to get over this and stay out of it and I do too but I will take up for Darral because I know his character. I don't give a hoot about any kind of politics in this town

Jessamine County at one time was a town that I was proud of and would talk down anyone from another county bad mouthing Jessamine County, as a matter of fact many moons ago at FFA Camp, a young gentleman had to give us an apology in front of everyone there for bad mouthing Jessamine County. Now fast forward, the county is corrupt, it has allowed things to happen, to go under the table and turning blind eyes. I am ashamed of what it has become and NO way would I defend it now, especially those that were stupid to do what THEY have done over these many years. The present bypass is a joke, the proposed bypass for the bypass is a joke because truckers do not want to take an extra 10 minutes out of their way, which is just a shift of the hand I-75 connector. I could give you many things that has been the slide of the hands that has made Jessamine County the arm pit of Fayette and I have been saying this since I was a child. So take it for what it is worth, As soon as I can I am leaving here.
